

Progression for Teaching the Blue Jello Rhythm Cards to Violinists

(please see correlating video on the youtube channel for demonstrations)

1- Speak cards (optional hand symbols).

2- Sing in ascending scale.

3- Air bow while speaking/singing.

4- Play on an open string.

5- Play as an A major scale.

** Add marching to any of these steps.*

4 Additional Challenges for Advanced Students:

1- Stay on the same open string pitch as the rest of the group but do each card in a different position (i.e. 1st card in III position, 2nd card in IV position, 3rd card in II position, etc...).

2- Again, stay on the same open string pitch as the rest of the group but play each beat in a different position (II, III, IV, III, II, I, etc...).

3- Play a different scale for each card.

4- Improvise a melody.
